

## PRESS RELEASE:

December 16, 2009

### Club Conflict Season 11 Ends with a Bang!

[Our Club Conflict Online Gaming League](#) Season 11 Finals Matches took place last night. Season 11 began with twelve [teams](#) and all but four teams had already hung up their kevlar vests and helmet for the season. The Featured Match of the night was anticipated long before the finals, as both teams exerted dominance throughout Season 11.

### CHAMPIONSHIP BATTLE

|PLA|

VS

RAWR !

RAWR ! (The Sundry Lot) faced |PLA| (People's Liberation Army) in the Club Conflict Season 11 Finals at 9PM EST. Both teams demonstrated dominating talent. |PLA| began as CT and started the first half with a slew of unanswered round wins to give them a 5-0 early lead. RAWR ! reached down deep and began answering with a few rounds of their own. At one point it was 6-2 |PLA|. Then, on a comeback worthy of any match played in the history of Counter-Strike: Source, RAWR! began rallying and finished the first half with a stunning 8-7 win! Stunned, |PLA| would not win another round as RAWR ! finished it up in the second half as CT to win 8-0. RAWR ! wins 16-7 final score! What a match!! What a season!! Congratulations to Team RAWR !!

## PRESS RELEASE:

---

December 16, 2009

Co-lead by former two time Club Conflict Champion CALicious Paszek, RAWR ! finished very strong in a field of talented teams. In a show of respect and love for the Club Conflict Online Gaming League, community and members, RAWR ! has donated their winnings, Ultra Products M998 ATX cases, as prizes for LAN{US}East 2010. Thanks to RAWR !, all attendees at LAN{US}East 2010 now have a great chance to win great Ultra Products M998 gaming cases!! Six cases (**ULT40069**) were donated and will be given away to attendees as door prizes at LAN{US}East 2010 at the end of July 2010! Thanks Sundry Lot!! Well played RAWR !! If you would like to see the Ultra M998 gaming cases, click the following [link](#) .

## PRESS RELEASE:

December 16, 2009

--BWA-- (Better With Age Gaming) faced [OBC] (Old Bastards Clan) on de\_cpl\_mill at 8PM EST. It was a tough battle with both sides showing a lot of spirit. [OBC] proved to have the edge with the AWP and began pulling away. [OBC] won the first half as CT 10-5 and won second half 6-3 for a 16-8 final score.

### THIRD PLACE BATTLE

--BWA--

VS

[OBC]

Congratulations to [OBC] for their fine performance and fine Third Place finish in Club Conflict Season 11! [OBC] takes home Ultra Products Media Dashboards (**ULT40123**). The versatile new Ultra MD3 Media Dashboard fan controller features a high-speed USB 2.0 hub that's an all-in-one media card reader. Plus, 1394 FireWire port, eSATA ports, and an LCD fan controller with a readout panel that reveals the CPU and system temperatures, and fan speed. Grab your own Media Dashboard [here](#).

--BWA--, having fought very courageously and skillfully, took Fourth Place and should be proud for placing so well in their first year of Club Conflict. Congrats to both teams, we look forward to seeing you next season!

## PRESS RELEASE:

December 16, 2009

Each of our top three placing teams also won free one year subscriptions to [CPU Magazine](#)! Some members already have subscriptions and so few of these prizes will also carry over to the LAN{US}East 2010 prize table. As the Official Media Sponsor of Club Conflict Season 11, CPU Magazine rocks! As a technical pc gamer's magazine, you are tops as well. If you have not tried out CPU Magazine, I highly suggest that you do. Thanks so much Computer Power User Magazine!!

We would like to also take a moment to recognize [Art of War Central](#) game servers. Art of War Central is the Official Server Sponsor of Club Conflict Online Gaming League. Their fantastic 100 tic servers have our members spoiled! The action is always hot and the registration dead on! Our spectators really enjoyed the action available from Art of War Central's SourceTV servers. Thank you Art of War Central!!!

## PRESS RELEASE:

**December 16, 2009**

Among the spectators in SourceTV last night was Bigtruck, Singer and Lead Guitarist of Club Conflict Official Sound Sponsor "[Habit of Force](#)". Habit of Force has been busy in the recording studio, expecting the release of their new CD in March 2010. Club Conflict members and fans alike have been enjoying the heavy metal infused vibe that Habit of Force brings to the league. Fans of Habit of Force will be happy to learn that a special performance is being planned for LAN{US}East 2010. The performance will be streamed Live! Look for future details on the event coming soon. Thanks Habit of Force!!

**December 16, 2009**

We would also like to recognize and thank [Discount ASP.Net](#) webhosting for providing the web space for our gaming league. If you need reliable webhosting, please check out Discount ASP.Net! Thanks Discount ASP.Net!!

A very special thanks goes out to {US}Beetlefart. As the creator of [BeetlesMod](#), the best Admin Modification in CS:Source today, and trusted friend and clanmate, {US}Beetlefart has spent countless hours creating a fantastic mod. Club Conflict members have been treated to a gaming experience that was made possible with BeetlesMod Admin Modification. From running the matches, to placing the in-game ads and all things in between, BeetlesMod rocks!! Thanks BeetlesMod!!

I would also like to take a moment to recognize the Club Conflict Online Gaming League [Staff](#). It is these staff members tireless dedication to ensure that the league has sponsors, forums, a kick-ass website, stats, officiating and more. If you see any of the CC Staff online, please take a moment out to thank them for their help in making Club Conflict Online Gaming League Season 11, the best season in the best private online gaming league today!!

Please be sure to visit our Club Conflict and check out our Public Game Servers. I encourage anyone interested in Club Conflict Online Gaming League to join our forums and say hello. Look for more exciting additions to our website, sponsors, and gaming league in the months to come. Thanks to all members and fans of Club Conflict. Until next season, have a great fragging time!

Best regards,

{US}Ballistics
