

PRESS RELEASE:

Club Conflict has been host to 10 successful Counter-Strike and Counter-Strike: Source seasons. We are excited to announce the launch of our brand new [website](#). Coinciding with our launch of Season 11, Club Conflict Online Gaming League is full of exciting news and happenings.

Our very good friends at [Ultra](#) have supported Club Conflict in the past by sponsoring our annual LAN event [LAN{US}East](#) near Ligonier, PA. For (5) long years, we have developed a special relationship with Ultra Products. Our guests and LAN [attendees](#) look forward to the great Ultra Products featured at our events.

We are excited to partner with Ultra Products for Club Conflict Season 11. Ultra Products is the [Official Prize Sponsor](#) of Club Conflict Online Gaming League. The Top (3) placing teams will enjoy their share of Ultra Products gaming hardware like the m998 aluminum ATX case featured below. Other winners will receive Ultra Chilltec Thermal Electric Coolers (ULT40417) or Ultra MD3 Media Dashboards (ULT40123).

If you are looking for quality parts for a quality gaming machine, look no further than Ultra Products!

The m998 is one tough case, named after the US Military Humvee, this case lives up to the name.

PRESS RELEASE:

Club Conflict is proud to partner with [Art of War Central](#) for super fast 100-tick gaming servers. Hosted from New York City, our [\(6\) Match servers and \(3\) Public servers](#) are ever ready for hard core gaming action. Be sure to stop in our public gaming servers, you may very well run into our [Club Conflict team members](#), as a dozen highly skilled [teams](#) are participating in Club Conflict Season 11.

Art of War Central is the best place to get your gaming server. Their 24 hour support staff is second to none and we would not trust our league servers to anyone else. The hit registration on all of our AOWC servers is fantastic, just ask the players in Club Conflict. When you call Art of War Central, ask for Steve. Tell him you heard about their great servers from Club Conflict Online Gaming League. They have great Ventrilo voice servers as well. One of our favorite features is the SourceTV servers that we have for watching all of the action. Be sure to stop in and say hello.

To help complete your experience with Club Conflict, download and install the [Club Conflict GUI](#), a replacement menu for Counter-Strike: Source. The Club Conflict GUI is chock full of great links and resources to help navigate your way around our servers and our sponsors' websites. Many of our own league participants use the Club Conflict GUI. Initial reviews have been positive; grab it while it's hot!

Club Conflict Members enjoy 100-tick servers from Art of War Central.

PRESS RELEASE:

Club Conflict Online Gaming League is proud to announce the Official Media Sponsor of Club Conflict Online Gaming League, [Computer Power User Magazine](#). This hard core magazine caters towards the gamer who wants to squeeze every bit of performance out of their machine. Their articles are full of useful information as well as great [hardware](#) and [software](#) reviews. Compared to the other gaming magazines out there, CPU Magazine has the most information and articles. All of the articles are laid out nicely and well written. Plus, get information straight from industry hardware guru's like Anand from Anand's Corner.

Attendees of LAN Parties will be pleased to know that CPU Magazine has launched the [CPU LAN Yard](#), a fantastic resource for finding and posting LAN parties. Each member of the top (3) placing teams, in [Club Conflict Season 11](#), will receive a complimentary one-year subscription to CPU Magazine! Get your own subscription to CPU Magazine today!

CPU Magazine is the Official Media Sponsor of Club Conflict Online Gaming League.

PRESS RELEASE:

Club Conflict Online Gaming League is happy to announce our Official Sound Sponsor, [Habit of Force](#), the heavy metal powerhouse from Chicago. Look for the sights and sounds of Habit of Force to be showcased within the league. Headed up by 6' 5" Bigtruck, be prepared to have your face melted by this group. The energy and intensity you feel while listening to Habit of Force perfectly complements the feelings our participants feel while engaged in a battle. Look for their new EP "[Tooth and Nail](#)". Habit of Force is going into the studio soon to record a new album set for release March 1, 2010.

Bigtruck is better known in Club Conflict Online Gaming League as {US}Caustic. As a member of [Clan{US}East](#) and the team [{US}kAmpd](#), look for {US}Caustic on the servers. Be sure to visit the official [Habit of Force Myspace](#). Habit of Force is slated to perform live at our annual LAN Party in July 2010.

(Left to right) Jason - Drums, Bigtruck - Vocals and Guitar, Junior - Bass Guitar
